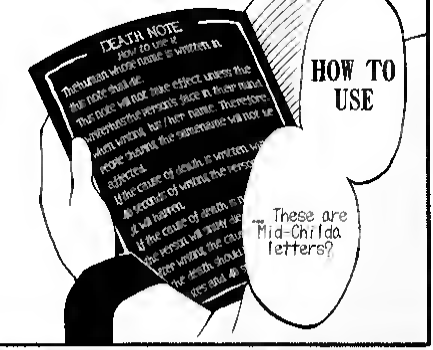
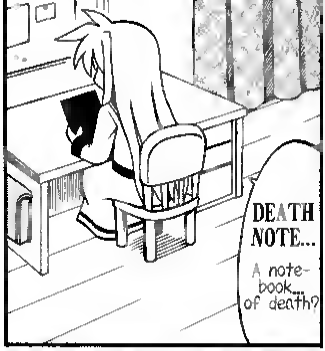
LYRICAL
DEATHNOTE

Bye-bye, Fate-chan. See you tomor-row~
Yeah.
See you later.
Death note
...A notebook?
DEATH NOTE

LYRICAL DEATH NOTE



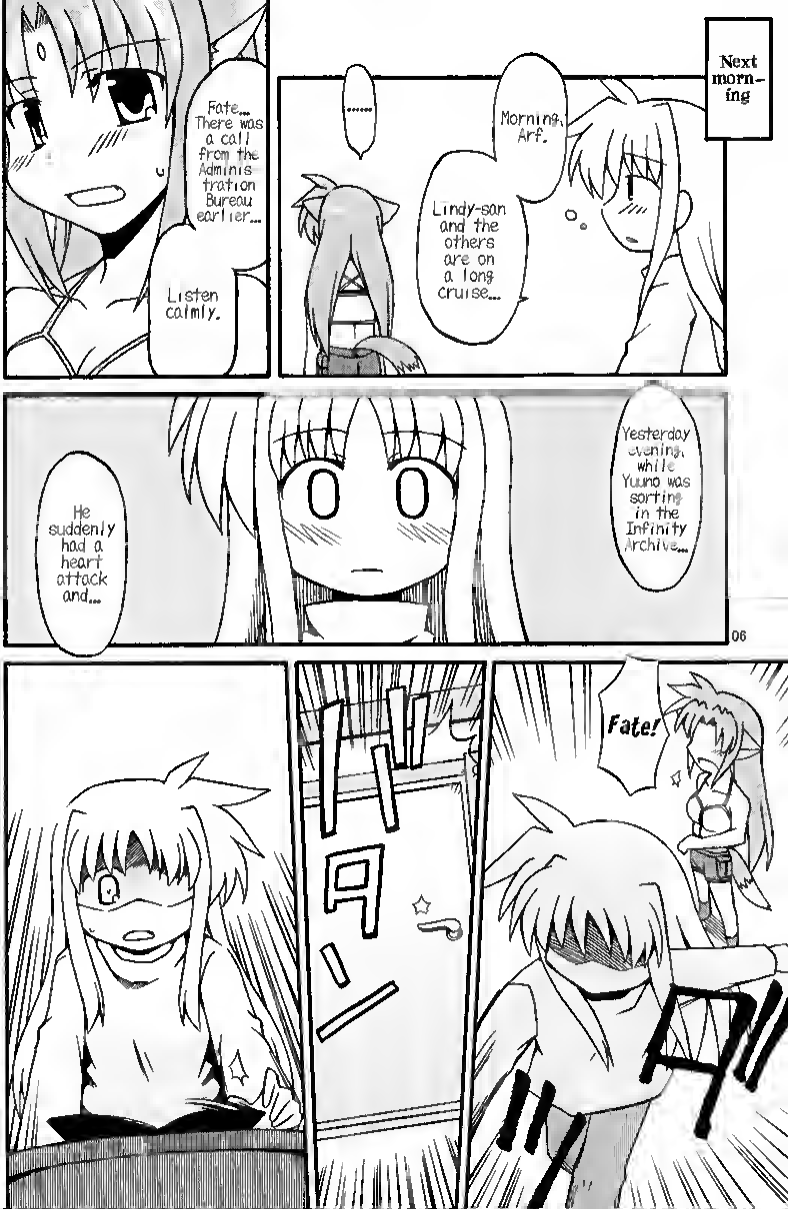
DEATH NOTE
HOW TO USE
... These are Mid-Childa letters?



DEATH NOTE...
A note-book... of death?

"The Human whose name is written in this note shall die."
"This note will not take effect unless the writer has the person's face in their mind when writing his/her name. Therefore, people sharing the same name will not be affected."
"If the cause of death is written within 40 seconds of writing the person's name, it will happen."
"If the cause of death is not specified, the person will simply die of a heart attack."
"After writing the cause of death, details of the death should be written in the next 6 minutes and 40 seconds."

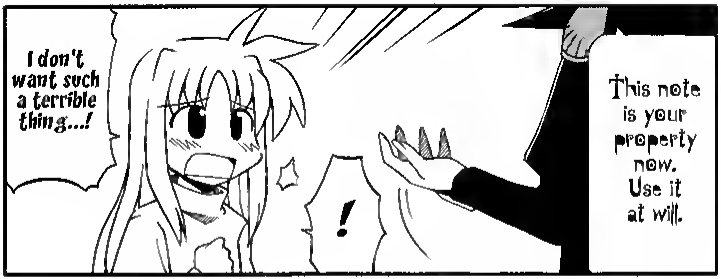
DEATH NOTE
Killing people just by writing their name. What nonesense.



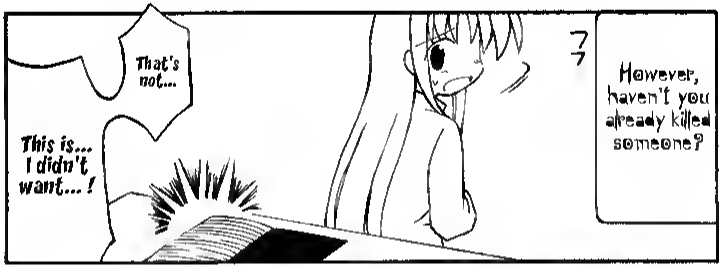
Next morning
Morning, Arf.
Lindy-san and the others are on a long cruise...
.....
Fate... There was a call from the Administration Bureau earlier...
Listen calmly.
Yesterday evening, while Yuuno was sorting in the Infinity Archive...
He suddenly had a heart attack and...
06
Fate!

IS REAL!
Yuno Scrya
THE DEATH NOTE...
... Did you like it?
What ...
Did I do...

M... Mother?
Mother? What is that?
I am the Shinigami haunting this notebook.
..... Well, you can call me whatever you like.
Shinigami...
W... Will my soul be taken now?
As compensation for using the note...!
No... I will not do anything to you.
Eekw !?

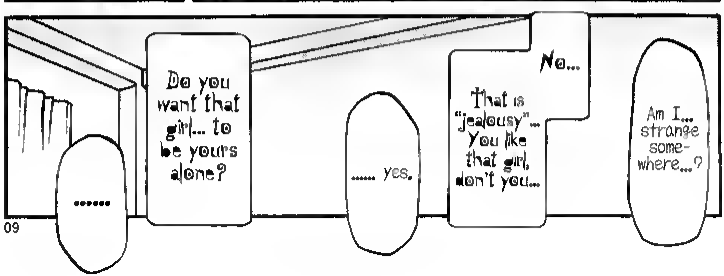


I don't want such a terrible thing...!
!
This note is your property now. Use it at will.



That's not...
This is... I didn't want...!
However, haven't you already killed someone?

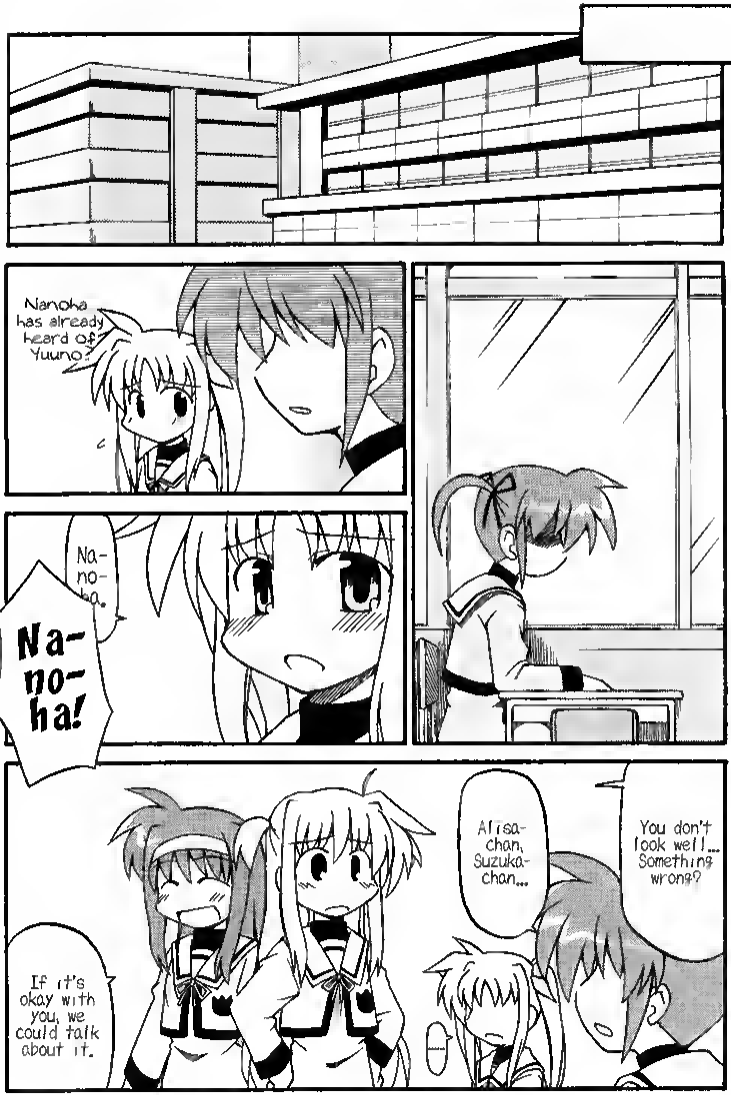
フフ…
Just... When I saw Nanoha and Yuuno getting along...
Somehow, my chest began to hurt... And then...



.....
Do you want that girl... to be yours alone?
..... yes.
No...
That is "jealousy"... You like that girl, don't you...
Am I... strange somewhere...?

Nuisan-
ces...
If you
have
that
note,
you can
make all
nuisances
disappear
at any
time.
Yes...
If any-
thing...
Is there
really...
no compensa-
tion...
.....
... That
is all.
And during
your last
moments,
I will write
your name in
my notebook.
By using
that note,
you invite
anguish
and
terror.

It's fine. My form can only be seen by those who've touched the note-book.
Hold on!
Arf!
Fa-
ate.
Y-Yes... I was just a bit upset... I've calmed down now.
Ah, I have to eat breakfast or I'll be late for school.
Are you okay? Fate...
How about you stay home today?
Look, I'll get ready now, so just wait.
.....



Nanoha has already heard of Yuuno?
Na-no-ha.
Na-no-ha!
You don't look well... Something wrong?
Alisa-chan, Suzuka-chan...
If it's okay with you, we could talk about it.

I'd probably just trouble you...
Thank you.
But... Sorry.
...Sorry.
You can't tell us?
We understand. We won't ask you now.
But don't forget, you always have us sticking around you, okay?
.....
There there
Yeah... Yeah...
Heeey, don't cry!

キーン コーン
Well then, cheer up!
Nanoha?
Eh...
Why...
ポロ
.....
Fate-chan!

Why is it I somehow get the feeling that I will never see those two again...
Yuuno-kun died!
Fate-chan won't.
Fate-chan will never leave me, right!?
Don't worry.....
I alone will always be together with you.....

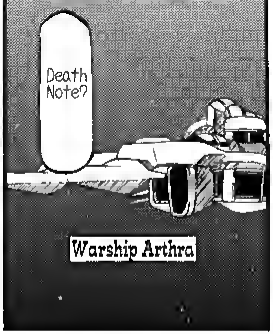
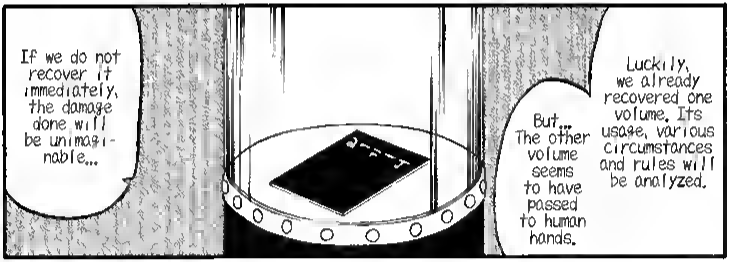
Death Note
To manipulate another's cause of death the circumstances, and even the exact time by just writing down their name. Such a terrible Lost Logia.
Priority one investigation assignment for the lost article - 'Death Note'.



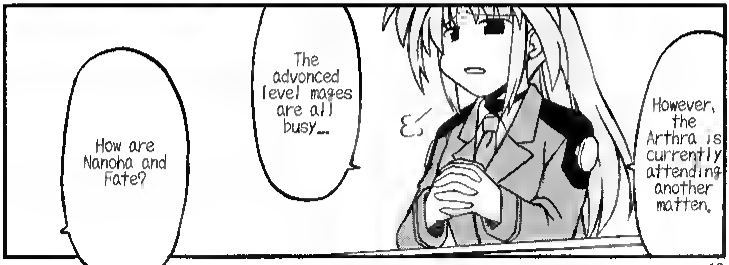
Death Note?
Warship Arthra

Such a dreadful thing is...

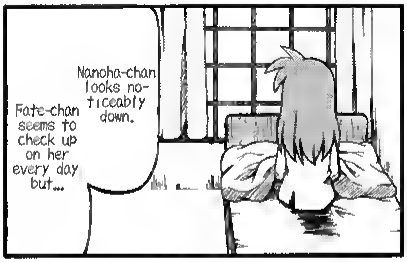
... And this time, we confirmed the appearance of two volumes in Nanoha's world.
The control device owner, commonly called 'Shinigami', can change its shape.



If we do not recover it immediately, the damage done will be unimaginable...
But... The other volume seems to have passed to human hands.
Luckily, we already recovered one volume. Its usage, various circumstances and rules will be analyzed.

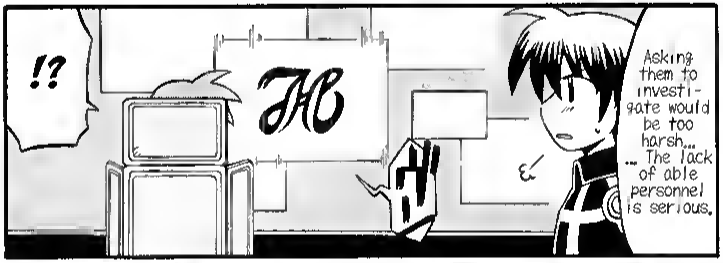


How are Nanoha and Fate?
The advonced level mages are all busy...
However, the Arthra is currently attending another matter.

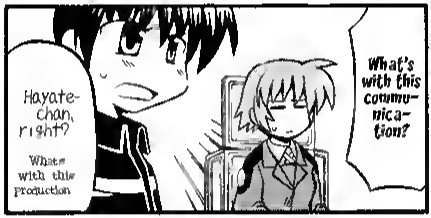


Nanoha-chan looks noticeably down.
Fate-chan seems to check up on her every day but...

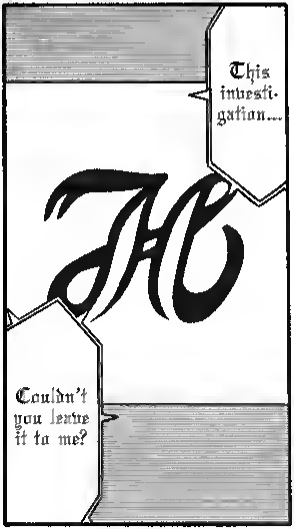
On break.
After Yuuno-kun, two of their friends have gone missing...



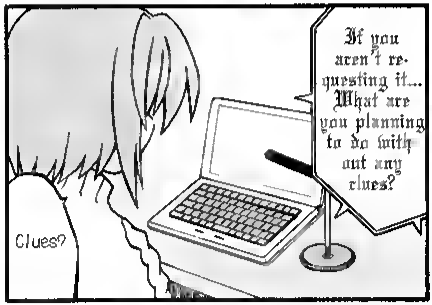
!?
Asking them to investigate would be too harsh...
...The lack of able personnel is serious.



What's with this communication?
Hayate-chan, right?
What's with this production

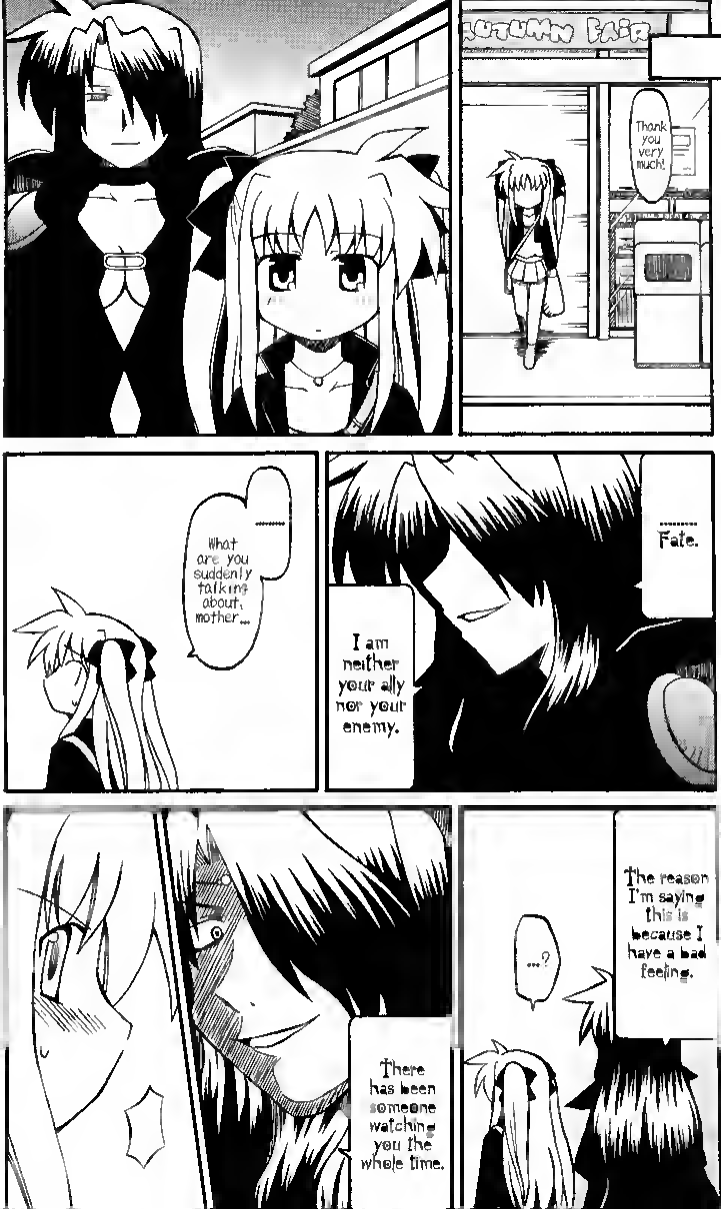


This investigation...
Couldn't you leave it to me?



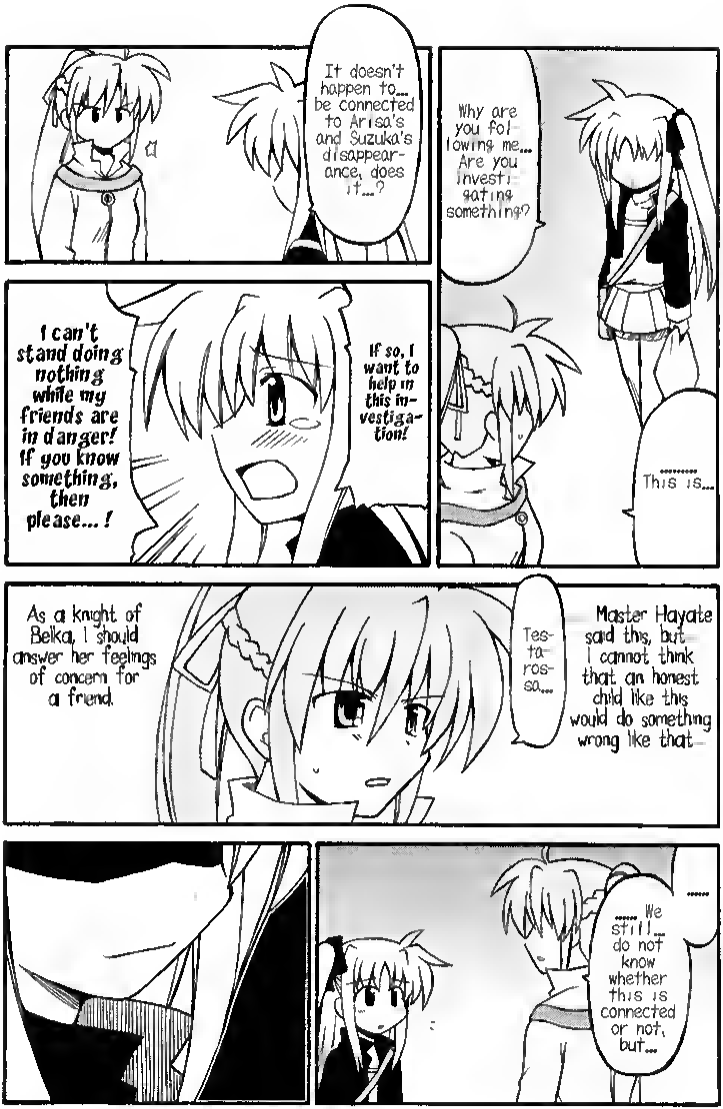
If you aren't requesting it... What are you planning to do without any clues?
Clues?

In that case, the note's owner must be involved with the people close to the Administration Bureau....
Yuuna-kun's sudden death... Looking at the cause of death, he was certainly a victim of the notebook.
The only people who know those two and may have gotten the notebook except for me are...
And then the mysterious disappearance of Suzuka-chan and Alisa-chan.
In my place, I will have the Wolkenritter observe all my suspects.
The only ones able to use the note book are humans and Shinigami.
Wait. Hayate-chan! Nanoha-chan and the others would never do such a...
No... We cannot rule out the possibility that the Death Note is able to magically confuse people's hearts...
And there is one other thing...

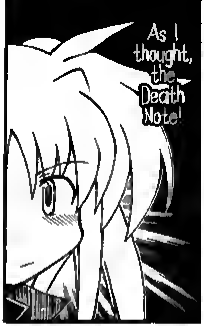


AUTUMN FAIR
Thank you very much!
.....
What are you suddenly talking about, mother...
.....
Fate.
I am neither your ally nor your enemy.
...?
The reason I'm saying this is because I have a bad feeling.
There has been someone watching you the whole time.

Signum!?
Wide Area Search...
And if it is needed...
It's a little hard to think that Signum is investigating alone. I have to ask her about the situation.
Is she chasing after the Death Note...? Just how much does she know already...?
Signum!
.....
As expected of Testarossa. You already recognized me...



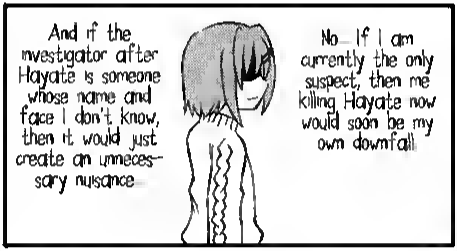
It doesn't happen to... be connected to Arisa's and Suzuka's disappearance, does it...?
Why are you following me... Are you investigating something?
.....
This is...
I can't stand doing nothing while my friends are in danger! If you know something, then please...!
If so, I want to help in this investigation!
As a knight of Belka, I should answer her feelings of concern for a friend.
Testarossa...
Master Hayate said this, but I cannot think that an honest child like this would do something wrong like that.
.....
..... We still... do not know whether this is connected or not, but...



As I thought, the Death Note!

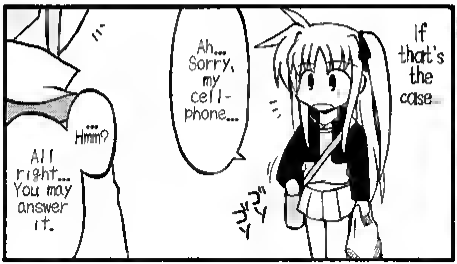
There is a chance that those two may also have been victims of this...
It is an article which can influence people's lives...
Once again, a priority one Lost Log:a appeared in this world and fell into human hands.

Our first objective was to fortify our immediate defences. I am sorry if it has seemed like betrayal to you...
No... We are only acting on Master Hayate's orders. We were entrusted with this case because she is shorthanded.
That's why... you're investigating, Signum?



And if the investigator after Hayate is someone whose name and face I don't know, then it would just create an unnecessary nuisance
No. If I am currently the only suspect, then me killing Hayate now would soon be my own downfall

If I would erase them all now
So only Yagami Hayate and the Guardian Knights are moving



All right... You may answer it.
...Hmm?
Ah... Sorry, my cell-phone...
If that's the case

Yeah, it's okay.
Hello... Ah, Nanoha?
Eh... Tomorrow? Wait a second.
Got it. Ten o'clock then.
Signum

whole truth, she

October
Just now...
I heard no ringtone.
... This can't be!
Six minutes and fourty seconds.
Death...
This won't be settled by fighting with you.
Goodbye, Signum.

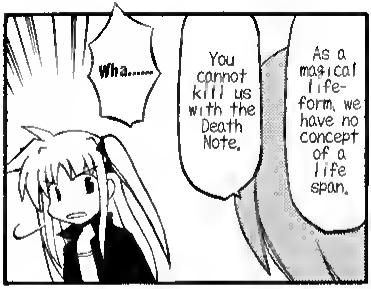
You prepared a torn page from the notebook in your memo...
I will kill the remaining Guardian Knights in the same way.
It's fine as long as Nanoha doesn't find out.
... You already have the whole stage completely planned, Fate.
フフフ...
As expected of my daughter.
.....
I just... want to always be together with Nanoha...

Fate-chan...
You came today, too...
ガチャ
Nanoha... Are you awake?
Did you have dinner yet?
I bought a lunch box. Let's eat it together.
Eh... But.
If it's about your family, they just left.
They said we should finish the meat by our selves.
Hmm...?
Oh, mail...

"We're having a stew party right now. If you want, you can come over."
.....
...Nanoha?
It's from Hayate-chan...
Since Alisa-chan and Suzuka-chan have been gone...
This is my first mail...
I want to go... to the party...
An invitation from Hayate with this timing... I can't think this is just an ordinary party.....
Nanoha.....

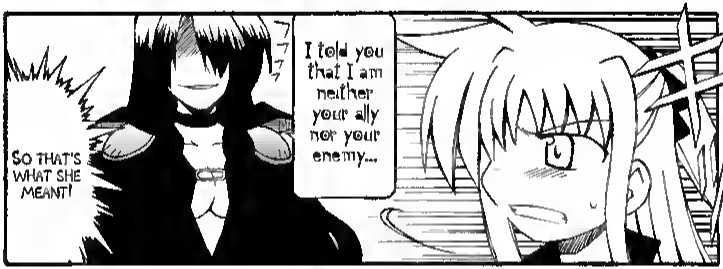
C'mon and sit down.
We bought way too many ingredients. Eat as much as you want~
Welcome, you guys~
Signum shouldn't have revealed anything that could have helped them.
Thank you for inviting us, Hayate-chan.
Maybe this really is just a normal party?
Oh... Itadaki masu.
What is it Fate-chan? You're making such a serious face.
Don't you like stew?
... fuu...

Thanks for the meal. I've had enough stew.
That's not proper manners.
Well... Now that our stomachs are filled...
Won't you give it to me?
The Death Note?
What are you talking about...
It is useless Testarossa. I have told them everything.
!!



Wha.....
You cannot kill us with the Death Note.
As a magical life-form, we have no concept of a life span.

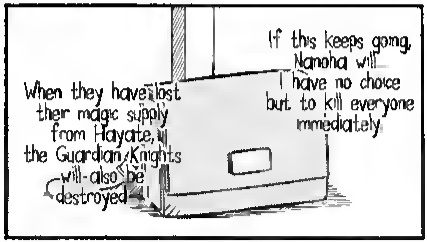
Did you think a Guardian Knight becomes ill or dies...?
Signum, why...!



I told you that I am neither your ally nor your enemy...
SO THAT'S WHAT SHE MEANT!

That's why she told me about the situation of the investigation so easily...

Such an awful excuse.
Grr....
To confirm how the notebook was being used I had Signum play a little trick on you...



If this keeps going, Nanoha will...
I have no choice but to kill everyone immediately.
When they have lost their magic supply from Hayate, all the Guardian Knights will also be destroyed.

THAT'S !
Don't even think about it.
When you write my name into that notebook, I will have fourty seconds.
And in that time, I will write your name into this second Death Note.
I borrowed it from the Arthra to counter you....
.....
It's the real deal.
..... Er, you two?
What have you been talking about the whole time...?

Why were even Alisa-chan and Suzuka-chan killed!
This is cruel...
Just who would...
Fate-chan.
You can't...

Right...
..... You should ask the culprit herself...
Uh.....

I am a magician, too. I traced the movement of your hands… I won't let you kill anymore…!
"If writing the same name on two or more Death Notes is completed within a 0.06 second difference, it is regarded as simultaneous; the Death Note will not take effect and the individual written will not die."

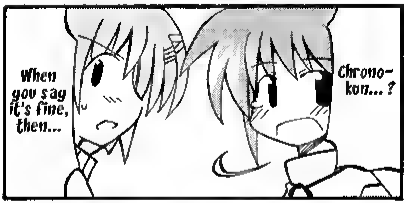
I'm sorry…
You don't want to be with me anymore, right…?
Just to be alone with Nanoha…!
Yuuno, Alisa and Suzuka…
I did it.
Just to Nanoha…
It should have stayed a secret…
ハ?…

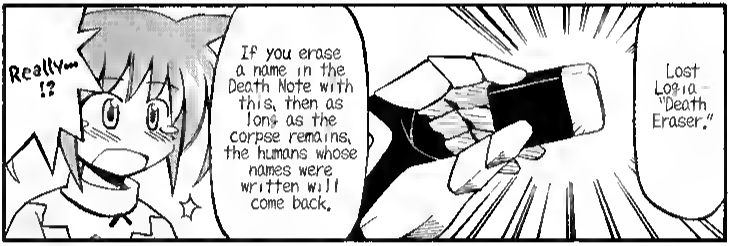
!?
Just because... of this one note-book...
DEATH NOTE
Oh, good evening.
... You must be the Shinigami haunting this note-book...
Shinigami!?
I see... Taking the illu-sionary form of Fate-chan's mother...!
Nanoha...
With this form, you confused Fate-chan and made her kill everyone...
Give them back!
Give everyone baaaaack!
It's all right!



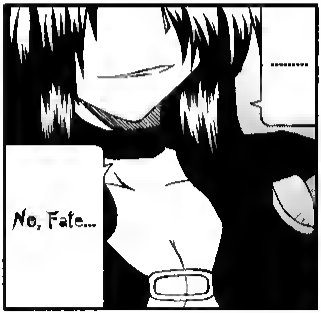
When you say it's fine, then...
Chrono-kun...?

Sorry, I'm a bit late.

The Arthra searched for something with more power than the Death Note.
And we found this.



Really~!?
If you erase a name in the Death Note with this, then as long as the corpse remains, the humans whose names were written will come back.
Lost Logia "Death Eraser."



.....
No, Fate...

Everyone... will come back...
With this, Nanoha will forgive me, right...? Mother...!

This is the end!
I thought you would entertain me for a bit longer, but...
I am disappointed that you admitted your own loss...
No, we won't make it!
We have to hurry and seal the notebook!
!
This is bad!
Humans can't interfere with a Shinigami's notebook! If her name is written there...

Grr...!
I am a Shinigami. That won't work against me.
Bind!!

"When the same name is written on two or more Death Notes, the note which was first filled in will take effect."

Death Note

Nancha's notebook took effect a touch earlier and right after that we sealed the Death Note's control program.

Afterwards, Fate was safely revived with the Death Eraser.

After waking up, Fate's obsession calmed down and she lost all memories related to the Death Note.

And... How will Fate-chan be dealt with now...?

... Fortunately in the end, there were no casualties. And in this joint incident, you could say that Fate was a victim as well.

It'll work somehow... No, I'll make it work.

I want those kids to always be smiling.

Good morning, you two!
Ahh, Good morning Nanoha-chan, Fate-chan.
It's been a while, huh?
Are you sure you're completely fine?
Yep, everything is fine.
It's a bit of a mystery...
!?
When I woke up, I was with Suzuka in a sea of trees. A whole sea of trees!
This is definitely the Muyuu illness.
I was asked to investigate it once...
She doesn't remember
Ah, Right right!
We are having a cat party on the next holiday. What do you think?
What's a cat party...

It's been a long time, so let's invite Yuuno, Signum and the others and make it wonderful!
Sounds fun!
Fate-chan♪
ぎゅっ

Rather than it being just the two of us,
being with everyone is much more fun, right?
...Yeah!
